Susan Rudy will be giving a talk on the historic Fort Ross Orchard at Fort Ross Visitor Center, Saturday, October 27th, at 2:30. Her talk will focus on the Russian and American Ranch Era and the contemporary efforts to preserve this historic legacy. Working with the Fort Ross Conservancy, Susan has received \$84,518.00 from [Renova Fort Ross Foundation](#) to stabilize and protect the historic Fort Ross orchard. We are tremendously grateful to both Susan and the Renova Fort Ross Foundation for their vision and dedication to protect this vulnerable living resource.

Community Potluck & Party
Stern Grove, San Francisco
Sunday, November 11, 10:30am - 3:30pm

Seventy five years ago the wider Russian American community threw a party in San Francisco's Stern Grove. They were celebrating the construction of the Golden Gate Bridge, and many expressed particular pleasure that the new bridge would allow them to visit Fort Ross more easily.

We would like to emulate that celebration by inviting our friends and supporters to join us at Stern Grove on November 11, 2012, to celebrate the many places that draw us together, including the bridge's anniversary and of course 200 years of Fort Ross.

Picnic by Walter Vladimir Rousseff

This is a free, casual, family-style affair. There will be Russian song & dance, a bbq on which to prepare food (please bring something to barbeque), and an interior space for educational exhibit materials. We hope to make new friends, discuss future projects, and generally enjoy what has been an exemplary year for California's wider

Russian community.

Please email with questions, and you must RSVP so we can have an approximate head count. We hope to see you there! info@fortross.org
